65°C Intensive Wash

The dishwasher sprays high-temperature water during the wash cycle, effectively eliminating loads of bacteria and germs.

Height-adjustable Upper Basket

Adjustable upper rack in the dishwasher accommodates diverse dish sizes, offering flexibility for loading dishes, glasses, utensils, and cookware.

Dual Wash Function

Conserve energy by utilizing either the upper or lower rack when your dishwasher isn't fully loaded.

Auto-open Door

Upon completion of the cycle, the dishwasher's door opens automatically, facilitating efficient steam release and thorough drying of dishes.

ECO Mode Cycle Time

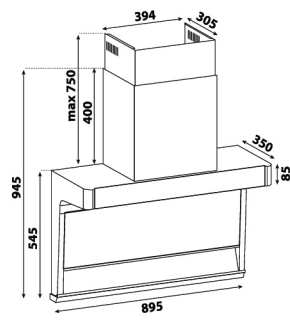

The ECO 50° program has a cycle time of 200 minutes for better energy efficiency.

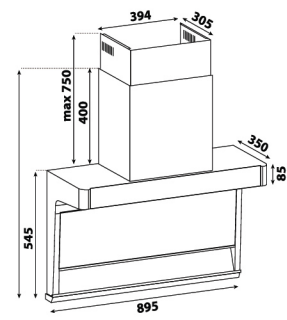

Drying Grade A

The dishwasher is rated A for fast drying, boasts versatile features for efficient dish cleaning, including capacity, energy efficiency, and low noise.
